The Mavericks Fun Camp being held this February half term will allow young netball players in the Hertfordshire area to meet Mavericks staff and athletes. Head Coach Chippy Murphy (Coach of Regional side Wyvern and Team Beds) will lead the camp with a variety of top assistants.

These popular camps offer young players the opportunity to be coached by different coaches and to play with new people. A wide range of netball related activities will be organised. They are aimed at club and school team players that wish to extend their skills and have lots of fun.
