Cancellation

If you wish to cancel the booking you must notify us immediately in writing. Until written confirmation is received we will continue to hold your reservation. All cancellations will be acknowledged in writing. Notice given more than 30 days in advance of the camp will involve a 10% loss, more than 15 days in advance will result in 50% loss of moneys paid with under 15 days incurring 100% loss.

Booking

Responsibility for the details of bookings and for payment lies with the person making the initial booking. All bookings will be confirmed in writing. If the Internetball Camp you require is fully booked you will be placed on a waiting list and informed of this in writing. In the event of a cancellation we will contact you, then your child will be booked onto the Internetball Camp. Where there is an individual player skill development focus there will be limited opportunities to place children in specific groups, we will endeavour to meet requests but cannot guarantee this. We reserve the right to move players between groups on Internetball Camps based on the coaches judgment.

Internetball Camp places are non-transferable. We will endeavour to accommodate any changes to booking dates, subject to availability. Any changes will be confirmed in writing and may incur an administrative cost of £10. If any major amendment is requested less than 30 days in advance of the camp, we reserve the right to treat this request as a cancellation and charge the appropriate cancellation fee.

Payment

All accounts must be paid in full by cheque, online or in person in advance for a child to attend an Internetball Camp.

Personal Property

All your child's personal property is your own responsibility, unless loss or damage is proven to be due to Internetball staff's negligence. If anything is missing when your child leaves please let Internetball know about it immediately and state the name of the coach ran the Internetball Camp. Expensive and treasured items such as jewellery, friendship bands, CD players, mp3 players, walkmans, mobile phones, designer clothes/shoes/trainers etc should not be brought to Internetball Camps as they are often unnecessary and inappropriate on sports activity camps. During activity jewellery and other similar items may not be worn, the child will not be permitted to take part unless those items are removed. Internetball will attempt to arrange to have lockers available but this will not be available at every venue. Users will make use of these facilities at their own risk including the security of any keys used. It is recommended that all items brought to Internetball Camps are clearly marked with the child's name.

Meals and snacks

No food or drink is included in the Internetball Camp cost, the children will be expected to bring packed lunches and water based drinks as there may be no opportunities to purchase food.

Incompatibility

We reserve the right to exclude or refuse any person at any time, prior to and during the camp if, in our opinion, that person is incompatible with the general well-being of the Internetball Camp e.g. bullying, disruptive or aggressive behaviour. Any additional costs incurred such as transportation home, will be at the parents' expense, and no refund will be made. Children who have fallen ill prior to the Internetball Camp should not be brought so that infection is restricted. Internetball reserves the right to exclude any player for this reason.

Programme changes

The timetables for certain activities are subject to alteration in the event of wet weather conditions or other factors which are beyond our control. We reserve the right to cancel a booking due to low numbers, we will offer an alternative or refund any payment.

Negligence

All children in our care are covered by our Public Liability Insurance therefore we accept responsibility for personal injury and for loss and damage generally, but only if caused by the proven negligence of Internetball or its employees. We do not accept responsibility for events which are outside of our direct control. These include (but not exclusively) events such as strikes, bad weather, disasters, war, acts of terrorism, quarantine or sickness etc. We reserve the right to charge the parent/guardian for any damages/breakages that a child is deemed to have caused not as the result of an accident.

First Aid

In the event of an accident, first aid will be administered to children in our care, and emergency services will be called if necessary, unless advised to the contrary. Essential medication must be handed to each child's coach for safe-keeping along with written instructions for any special situations. An appropriate factor sunscreen is recommended for all children during warm weather. It is advised that each child brings a water based drink in a clearly named drinks bottle as they will be involved in physical activity.

Compensation

In the unlikely event that a child experiences a problem or difficulty while at an Internetball Camp, the matter should be reported immediately to the coach who has the authority and direct knowledge to deal with most queries and/or if he or she fails to resolve that difficulty to your satisfaction then write to Internetball within a reasonable amount of time of your child leaving camp. We may compensate, but only if both of these conditions are met.

Arrival & Departure

Each child will be signed in and out at the start and end of the day, this can be completed by the child or any designated carers. This option is stated when booking. Your child needs to be collected at by the published time. Failure to do so results in a late collection fine of £5 per 15 minutes or part thereof.

Photography

Please be aware that Internetball staff may take photographs and video the children in order to aid in skill analysis and development. These pictures and others may also be taken and used in brochures, advertising material and resources.
